What is SDGC?

SDGC or Savannah Disc Golf Club is simply a non profit organization comprised of Disc players and enthusiasts.

What is SDGC's Mission?

Our mission is to promote the growth and organization of disc sports in the greater Savannah area. To encourage honesty, integrity, good spirit and fellowship among all who play disc sports. To maintain the beauty and playability of all disc sport venues in the area, discouraging all acts of violence toward others and our facilities.

Why should I join SDGC?

It is our vision to bring together a growing network of players who want to improve the ability to enjoy playing disc sports. Relationships will be based on freedom of choice, trust, respect and fun! Together as group, we empower each other to achieve our goals and our mission. We value ideas, and welcome questions and potential solutions.

Do I have to be a member to play?

No, you do not have to be a member to play at any SDGC activity or event, but you will find that becoming a member of our group brings many opportunities.
